THE COIN COLLECTOR'S JOURNAL.

SPLENDIDLY ILLUSTRATED.

A 16-PAGE MONTHLY. \$1.00 PER YEAR. POST FREE.

In forwarding to our subscribers THE COIN COLLECTOR'S JOURNAL for January, 1878, at the commencement of the third volume, we would take the opportunity of thanking our patrons for past favors, and urge them to continued exertions to increase the circulation of the Journal. As it is the largest numismatic monthly published in the United States, and as it has now attained a more extensive circulation than any other paper devoted to the interests of coin collectors, we think it is for the interest and advantage of subscribers to do something to increase its influence.

We would remind our friends that by increasing the circulation of the Journal, the number of collectors will doubtless be much increased, and, as the number of coins is limited, the additional demand will greatly enhance the value of all collections.

The publishers have never expected to realize any profit from the subscription list; all that they hope for is to make the C. C. J. a self-sustaining means of communication for coin collectors, and therefore feel justified in looking to those benefited by it to do something to add to its usefulness in the future.

We give annexed a few reasons why every coin collector should become a subscriber:

For prices realized at every **Auction Sale of Coins** in the United States during the last two years—see *The Coin Collector's Journal*.

For the fullest illustrated description of the **Centennial Medals**—see *The Coin Collector's Journal*.

For fine illustrations of **Modern Foreign Copper Coins**—see *The Coin Collector's Journal*.

For a full history of the **Byzantine Coins**—see *The Coin Collector's Journal*.

For illustrated descriptive articles on **French Colonial Copper Coins**—see *The Coin Collector's Journal*.

For a full description of all **United States Fractional Currency**—see *The Coin Collector's Journal*.

For a complete chronological list of all the **Roman Emperors**—see *The Coin Collector's Journal*.

For a fine engraving of the magnificent **Canadian Confederation Medal**—see *The Coin Collector's Journal*.
